

## **bAbba's**

We are excited to welcome some new arrivals to our baby room this Autumn! This new term we can't wait for more opportunities to pray for our babies as they grow and develop at such a fast rate. One thing we love so much about your little ones is their capacity to carry joy with them everywhere they go. A smile from a little baby is a contagious thing, and we are especially praying that the Holy Spirit would fill them up and equip them to carry joy throughout our church community and beyond!

## **Nursery – P2's**

A huge welcome to the 13 boys and girls who have moved from 2's & 3's to this room. This autumn we will be learning about healing. We want to make this very practical, so that our children are empowered to invite the Holy Spirit and pray for healing in a natural way. If you are sick, please do talk to a team leader and arrange to call in and have the kiddies pray for you during their ministry time.

In October we will be learning all about the life and adventures of the apostle Paul. Perhaps you could read some Bible stories about Paul at home together, and pave the way for the things your child will be learning at church.

## **2's & 3's**

This autumn the 2's & 3's are kicking off the new term with a topic on Creation - how everything started and how God was in the middle of it all, speaking, creating, making and acting. We will be thinking about how God was here before anything or anyone else and He decided to make something amazing. It would be great if you could spend time at home looking at things in nature that God has created, going on walks and thanking Him for one thing he has made every day. You could also chat about how God did such a great job when he made your little one!

## **P3-P7's**

We're so excited to welcome all our P3 children who have moved up an age group. In P3-7s, we are also doing a topic that looks at people in the Bible who were healed, and how to pray and serve practically when people are sick. Just like in Nursery – P2s, parents are welcome to come along for prayer from the kids during their ministry time.

In October, we have a new series based around hospitality, called 'Eating with Jesus' where we will look at some people in the Bible who invited Jesus over for dinner, and what happened while he was there! This lesson will finish off with the parable of the banquet, where the kids will learn that Jesus has invited them for dinner... a banquet in Heaven!

## **Dedication Service on Sunday 11<sup>th</sup> October**

We're delighted to have our second dedication service coming up on Sunday 11<sup>th</sup> October. The one that we had in April was a great day in the life of BCV and we know that we're in for another treat next month. If you would like to have your child dedicated please let us know and we'll be in touch about the order of service. You can email, use your response card or talk to Andy Smith or Katie Wilson.

This is a chance to pause before people who love you and are for you, and invite more of Jesus love and presence in the core of your family. It's a place to ask for abundance and favour and protection and fruitfulness and it's also going to be wonderful to celebrate the babies in our church family. There will be buns!
